We are pleased to announce the continuation of the **Urgent Care + Wellness Quality Incentive Program** in the 2024 performance year!

Feedback from Urgent Care partners and an increase in well-care visits for IEHP adolescent Members has shown the benefit of offering wellness services to IEHP Members at the Urgent Care facilities. Details of the 2024 Urgent Care + Wellness Quality Incentive Program will be officially released no later than January 2024.

What's NEW in the 2024 Urgent Care + Wellness Quality Incentive Program?

In addition to the Child and Adolescent Well-Care Visit, the 2024 Urgent Care + Wellness Quality Incentive Program will include the following services:

- Lead Screening for Members ages 0-2 years
- Fluoride Varnish for Members ages 1-20 years
- Adolescent Immunizations

More information will be shared once final 2024 program material is available.

We are excited for this continued collaboration in providing optimal healthcare to IEHP Members.
