Subject: **2024 OB P4P Program – Manifest MedEx Connectivity Deadline Extension**

We would like to remind you of the **2024 OB P4P requirements for the Manifest MedEx (MX) Connectivity P4P** service. Providers are encouraged to participate in the Manifest MedEx Connectivity efforts to increase Provider connections that will improve patient care and coordination.

Manifest MX connectivity creates a pathway for OB providers to share clinical data elements securely with IEHP and support new quality reporting requirements for the Plan.

IMPORTANT UPDATE: We have extended the deadline to sign up to participate in the Manifest MedEx (MX) Connectivity measure. Providers can sign up with Manifest MedEx (MX) by **August 31, 2024**, to start the process of the Manifest MedEx Connectivity! **NOTE: Only the first 150 Providers to sign a participation agreement with MX will be eligible to participate in the MX Connectivity measure. Enroll Today!**

Two (2) milestones are included in the MX Connectivity measure. Here are the details:
