Subject: **ACTION REQUIRED - Quality Performance Learning Guide Provider Survey**

IEHP introduced the [Provider Quality Performance Learning Guides](#) in January 2024 to provide an interactive learning experience for our providers and their office staff. This collection of guides offers an in-depth understanding of HEDIS measures and provides tools to improve Global Quality P4P scores.

To guarantee the learning guides fulfill their intended purpose, we are keen to gather your insights. We are interested in knowing what you found most valuable, which best practices have been put into place, and any suggestions for improvements.

Please take a few minutes to participate in our brief survey by no later than September 9, 2024. Access the survey by clicking on the [link](#) or scanning the QR code below with a mobile device.

Thank you for all you do to care for our community and sharing your thoughts with us.

If you have any questions, please contact the IEHP Provider Call Center at (909) 890-2054, (866) 223-4347 or email ProviderServices@iehp.org
