On May 23, 2017, the Department of Healthcare Services (DHCS) released All Plan Letter (APL) 17-009¹ which superseded APL 16-011 on reporting Provider Preventable Conditions (PPC).

The PPC form and instructions for reporting can be found on the DHCS website at https://www.dhcs.ca.gov/individuals/Pages/PPC_Form_Instructions.aspx.

PPCs are defined as Health Care Acquired Conditions (HCACs) occurring in any inpatient acute care hospital and Other Provider Preventable Conditions (OPPCs) in any health care setting. **The Health Plan, Network Providers, Delegates, contracted Hospitals, and Ambulatory Surgical Centers must follow the instructions below for both IEHP DualChoice DSNP, IEHP Covered, and Medi-Cal lines of business:**

- Providers are **REQUIRED** to send a copy of the completed PPC submission from the DHCS secure online portal to IEHP's Quality Management (QM) Department via secure email qmclinicalinbox@iehp.org or fax (909) 890-5545 within **five (5) business days** of reporting to DHCS.
- IEHP must retain copies of all completed and submitted PPC submissions for later reconciliation of allowable payments.
- IEHP or the IPA does not pay provider claims nor reimburse a provider for a PPC, in accordance with 42 CFR Section 438.3(g).

Please distribute this communication to Quality Management and Risk Department(s) for your facility where applicable.
