Subject: **REMINDER – Accessible Clinics Program 2024 - Deadline September 16th**

We are thrilled to continue the Accessible Clinics Program this year, which grants selected provider sites with an Accessible Exam Table. This program aims to improve the quality of care for our members with mobility and accessibility needs.

The program supports you in creating an inclusive environment, improving member satisfaction, and enhancing your practice's reputation for access.

How Does it Work?

Through the program, we will fund 33 eligible provider sites the purchase of an Accessible Exam Table with a built-in digital scale. We will also provide training to help you and your staff become familiar with your new equipment.

These medical resources will belong to the provider and will not need to be paid back! We simply want to improve access for our members.

How Do You Apply?

Providers or office managers must complete the online application, by scanning the QR code with a mobile device, or visiting <https://bit.ly/4dkcTyz>, no later than Monday, September 16th, 2024.
