

We heal and inspire the human spirit.

To: All PCPs & IPAs
From: IEHP – Quality Informatics
Date: September 23, 2024
Subject: **UPDATE - 2024 Historical Data Submissions Deadline & Accepted Measures**

As Providers seek to close quality gaps, we want to share an update to the Historical Data submission deadline and remind our Provider network of the accepted measures via Historical Data.

Effective September 10, 2024

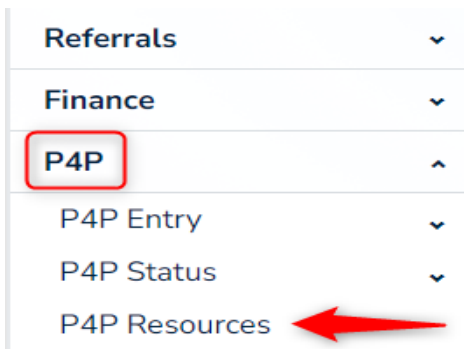

1. **Initial Health Appointment has been re-instated for acceptance through Historical Data Submissions.**
2. **December 31, 2024, is the last day to submit 2024 Historical Data**

Please ensure that this information is communicated to those responsible for submissions.

As a reminder, the **Historical Data** submission process is intended for visits, procedures, or services that address quality gaps reflected on the Preventative Care Rosters that **cannot** be submitted via claims or encounters (e.g., services received prior to IEHP Membership, historical surgical procedures, etc.).

For measure descriptions and examples of tools or coding, please refer to the **2024 IEHP Global Quality P4P Program Guide for PCPs** on our website:

- www.providerservices.iehp.org > Provider Central > Provider Incentive Programs > Pay for Performance Program > Global Quality P4P Program or [click here](#).

For more information about IEHP’s GQ P4P Program and to learn about best practices to help improve quality scores and outcomes, visit the “**P4P Resources**” tab on the Provider Portal (see screenshot).

Thank you for your continued collaboration to ensure Members receive needed preventive care. Your service is greatly appreciated.

If you have any questions, please contact the IEHP Provider Call Center at (909) 890-2054, (866) 223-4347, or email ProviderServices@iehp.org or the Quality Team at QualityPrograms@iehp.org
