Subject: **UPDATE: Behavioral Health Treatment (BHT) Authorization Requests**

Please note the following updates to IEHP’s BHT authorization request online form:

- CPT codes field is now open entry, instead of choosing from a set of approved codes.
- Quantity is now fillable to submit the **number of units** for each requested code.
 - The code quantity should be submitted in terms of **units per 6 months**.

Example: The quantity for the **HCPC H2019** is **2080 units, which is equivalent to 20 hours per week**.
An equation can be used to convert hours of treatment to number of units:

- # of hours per week x 4 units x 26 weeks = Qty
or
- # of hours per month x 4 units x 6 months = Qty

CPT Codes		
* CPT 1: H2019 <small>Therapeutic Behavioral Services Per 15 Minutes</small>	Modifier: 	*Qty:(numeric only) 2080
* CPT 2: H0032 <small>Mental Health Service Plan Dvip Non-Physician</small>	Modifier: 	*Qty:(numeric only) 416

Please note: Codes and quantities are subject to review. IEHP may telephonically outreach to BHT Providers to confirm any discrepancies in HCPC quantities. Please respond same day to prevent delays in processing authorizations.
