Inland Empire Health Plan (IEHP) has made the following update to the 2024 Topical Fluoride for Children & Adolescents FQHC Incentive Program:

**Payment Methodology**

Updates have been made to the **2024 Minimum Performance Level (MPL) rate:**

- IEHP has adjusted the MPL rate for the 2024 Topical Fluoride for Children & Adolescents FQHC Incentive Program from 19.30% to 19.00% to align with the benchmarks established by the California Department of Health Care Services (DHCS).

**Reminders**

- If your clinic reaches the 19.00% MPL rate established by DHCS, **IEHP will pay an additional \$75 per every compliant member in the Provider Clinic specific numerator at the end of the measurement year (2024).**
- IEHP will provide a lump-sum incentive payment to eligible FQHCs, RHCs, and IHFs **no later than July 31, 2025.**
