Subject: Access Standards – Appointment Availability for Specialist Care

Inland Empire Health Plan (IEHP) appreciates your partnership to provide prompt access to care for our Members and community. The tables below are a reminder of the access standards for availability of services to Members. An IEHP Member can speak to a licensed triage person via the IEHP 24-Hour Nurse Advice Line at (888) 244-IEHP (4347) or (866)-577-8355 for TTY users, 7 days a week, 24-hours a day.

★ All Providers must provide 24-Hour phone access, 7 days a week. All offices must have an answering machine and/or answering services during and after business hours. Members who reach voicemail must receive detailed instructions on how to proceed, including but not limited to how to obtain urgent or emergency care.
